

# Doggy Day Care

## What happens at DDC:

You drop off your dog at the training center, where she will be in a closely supervised group with other dogs to play, socialize and have fun. You'll have time to get things done without your dog, and when you pick up your dog later that day, he's already exercised. Open Tue, Wed + Thu only.

## Requirements:

- 1) Temperament: We'll assess your dog's history and behavior first by interview, during Open Play Times or at an evaluation.
- 2) Health: Current on Rabies, 5-way, Bordetella and worm status; dogs over 10 months should be neutered or spayed.
- 3) Reservations only; for refund: 24hr cancellation required

## Fees:

1-4 hours: \$27; >4 hours: \$37  
Punch cards: \$135/ \$185 (5+1)  
Surcharge for early d/o (before 7am) or late p/u (after 6pm): \$10

# Open Play Times

## *Our Successful Paw-School Program*

### Puppy 1 – Preschool:

dogs 9wks to 5mo of age; valuable socialization time; teach basic manners and commands; learn how reward-based training can stop mouthing, chewing, jumping...

### Puppy 2 – Kindergarten:

for the adolescent Puppy 1 graduate; leash walking, stays, self-control, calming exercises, polite behavior in public and more.

### Foundation Class:

for any dog over 6mo; basic manners, stays, polite behavior in public, loose leash walk, leave it.... We also address leadership, jumping up, barking, chewing ...

Grade School: for P2 and FC graduates; lots of group practice; Reliable Stay, Come, Loose Leash Walk, better attention, working with more distractions ...

Junior High: for GS grads. Your dog's next obedience level with heel patterns, come front, finish, leave it + more distractions!

Rally College: prepares you for this fun sport, following a course of obedience stations.

CGC-Prep School: fun games to improve your dog's behavior in public and preparing for AKC's Canine Good Citizen® (test not included); also a great prep class for therapy and service dog prospects.

C.L.A.S.S. Courses: practice manners w/ games and role play; prepare for our C.L.A.S.S. evaluation (test not included); Three testing levels: Get your dog a BA, MA + PhD!

### DOG SPORTS:

**Agility, Nose Work, Treibball, Freestyle, Trick Dog:** It's fun, builds confidence, improves attention, team work, distance control and obedience!
