

Regine Dog Training Facility in Wasilla

1400 Regine Ave; (907) 357-2521

Regine St. is off mi 4.2 Fairview Loop Rd. It takes about 8-10 minutes from Wasilla Wal-Mart. You can enter Fairview Loop from anywhere and go to mi 4.2, then turn south onto Regine St. The corner of Fairview Loop and Regine is marked with a yellow sign of The Better Companion, and the driveway has an even bigger sign

Here are some more specific directions:

Coming from Palmer:

2. Go past Walmart on Seward Meridian Pkwy to the end.

4. Take the first right onto Fairview Loop Rd (downhill at the "Y" and then over railroad tracks), follow Fairview Loop Rd for about 3 miles.

Take a left onto Regine Ave.

Coming from Big Lake, Knik, West Wasilla, and North:

2. Follow Fern Ave. until it ends at Fairview Loop Rd (approximately 2 miles – very straight road).
3. Turn left onto Fairview Loop Rd., go about 1 mile.

Coming from Parks Hwy/Clapp Rd area: (new route!)

1. Clapp Rd (Mernard Sports Center area) now goes through from Parks Hwy to KGB Rd., coming out at the far northern end of Fairview Loop Rd. For those of you out in the Church Rd. area or thereabouts, this might be a good alternative to either driving out to Vine Rd and over to KGB Rd., or all the way into Wasilla and back out KGB Rd. You can either cross KGB and take FLR (approx.. 7 miles), or turn left on KGB Rd. and go down to Fern Ave. for a more direct (less curves) route.

Coming from Glenn Hwy (Palmer, Chugiak, Eagle River

1. Take Parks Hwy northbound.
2. Exit at Fairview loop Rd/ Hyer Rd – exit (second exit from Glenn Hwy, BEFORE Wasilla).
3. Turn left and cross under the Parks Hwy overpass.
4. At the "T" intersection turn right (north) onto Fireweed (frontage rd.). Go 3/10th of a mile.
5. Turn left onto Fairview Loop Rd. Go 1 mile to fork in the road. Take the left fork over the railroad tracks (stay on Fairview Loop Rd!). DO NOT take the right fork uphill (that's Old Matanuska Rd, bringing you into Wasilla). Follow for about 3 more miles.
6. There will be a sharp left turn on Fairview Loop Rd (and a 25mph sign). After that turn, the first street on the left is Regine Ave. Take a left onto Regine Ave.
7. Turn into the first driveway to your right
